

NovaTech Enterprises

HR-POL-002 | Recruitment and Selection Policy

1. Objective

NovaTech Enterprises is committed to recruiting the most qualified candidates through a fair, transparent, and non-discriminatory process. This policy ensures consistency across all hiring decisions.

2. Vacancy Approval

All new and replacement vacancies must be approved by the department head and Finance before the position is advertised. The Talent Acquisition team will assign a recruiter within 2 business days of approval.

3. Advertising

Roles must be advertised internally for a minimum of 5 business days before external job boards are used. All job postings must be reviewed by HR for inclusive language and must not include requirements unrelated to the role.

4. Shortlisting

Shortlisting must be conducted by at least two people using a standardised scoring matrix provided by HR. Personal information such as name, address, and age must be anonymised during the initial screen.

5. Interview Process

Interviews must be conducted by a panel of at least two interviewers. Structured interview questions must be used with identical questions posed to all candidates for the same role. Notes must be retained for 12 months.

6. Background Checks

Conditional offers are subject to satisfactory background checks including right-to-work verification, reference checks from two previous employers, and for certain roles, a criminal record check in accordance with applicable law.

7. Offer and Onboarding

Verbal offers must be followed by a written contract within 5 business days. The onboarding programme spans 90 days and includes mandatory compliance training in weeks 1 and 4.
