

NovaTech Enterprises

VEN-CON-002 | SaaS Subscription Agreement — InsightHR Software Inc.

AGREEMENT SUMMARY

This SaaS Subscription Agreement ("Agreement") is between NovaTech Enterprises Inc. ("Subscriber") and InsightHR Software Inc. ("Provider") effective 15 March 2026. This Agreement governs Subscriber's access to the InsightHR Platform ("Platform").

1. SUBSCRIPTION GRANT

Provider grants Subscriber a non-exclusive, non-transferable licence to access and use the Platform for Subscriber's internal business purposes. Subscriber may provision up to 2,500 named user accounts. Additional users above this threshold are available at USD 8 per user per month, invoiced quarterly.

2. SUBSCRIPTION TERM AND FEES

Initial subscription term: 24 months commencing 15 March 2026. Annual subscription fee: USD 240,000 (Year 1), USD 252,000 (Year 2), invoiced annually in advance. Payment due within 45 days of invoice. All fees are non-refundable.

3. IMPLEMENTATION AND ONBOARDING

Provider will deliver implementation services as described in Implementation SOW attached hereto as Schedule A. Go-live is targeted for 60 days post contract execution. Provider will assign a dedicated Customer Success Manager for the first 90 days and thereafter on a shared basis.

4. SUPPORT

Provider offers tiered support: Priority 1 (system down) — 2-hour response; Priority 2 (major functionality impaired) — 4-hour response; Priority 3 (minor issues) — next business day response. Support is available 24/7 for Priority 1 and 2. Standard support hours (Monday–Friday 08:00–18:00 UTC) for Priority 3.

5. DATA OWNERSHIP

Subscriber owns all data input into or generated by the Platform ("Subscriber Data"). Provider may use anonymised, aggregated data for product improvement. Provider will export Subscriber Data in CSV or JSON format within 30 days of termination request. Data will be deleted from Provider

systems within 60 days of termination.

6. SECURITY

Provider maintains SOC 2 Type II and ISO 27001 certifications. Current audit reports are available to Subscriber under NDA upon request. Provider conducts annual penetration testing. Material security incidents must be reported to Subscriber within 72 hours.

7. ACCEPTABLE USE

Subscriber shall not: reverse engineer the Platform; use the Platform to process data on behalf of third parties; circumvent usage limitations; or use the Platform in a manner that violates applicable law. Violation may result in immediate suspension.
